

Adding Credit Card Payment Information to your Account

1. On your web browser, go to <https://billing.frii.com/>
2. Enter the email address associated with your account, and type in the password provided to you, and press login.

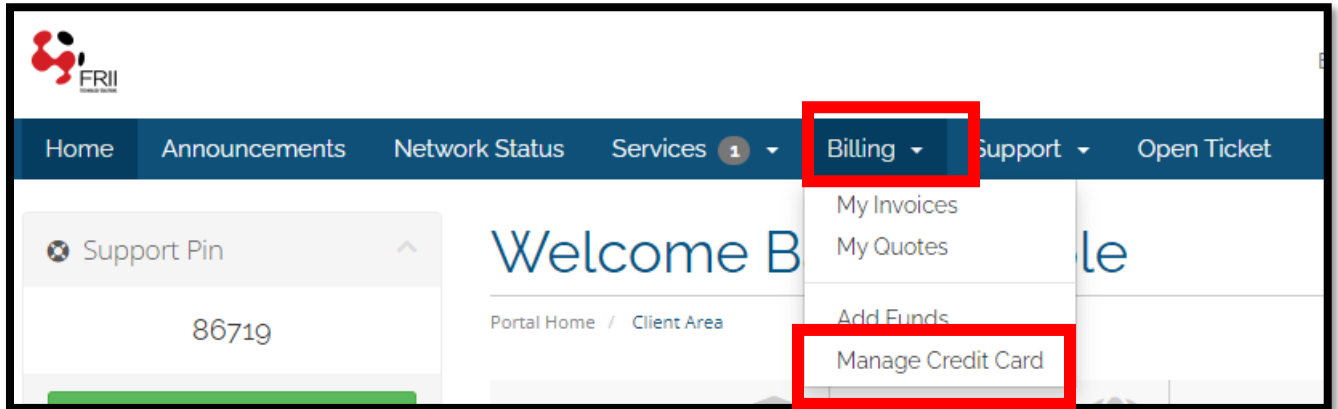

The screenshot shows a web browser window with the address bar displaying "billing.frii.com/login". The page features the FRII logo at the top center, with navigation links for "Home" and "Network Status". The main content area is titled "Login This page is restricted". Below the title, there are two input fields: "Email Address" containing "sampleemail@frii.com" and "Password" with masked characters. A "Remember Me" checkbox is present below the password field. At the bottom right, there are two buttons: "Login" and "Forgot Password?".

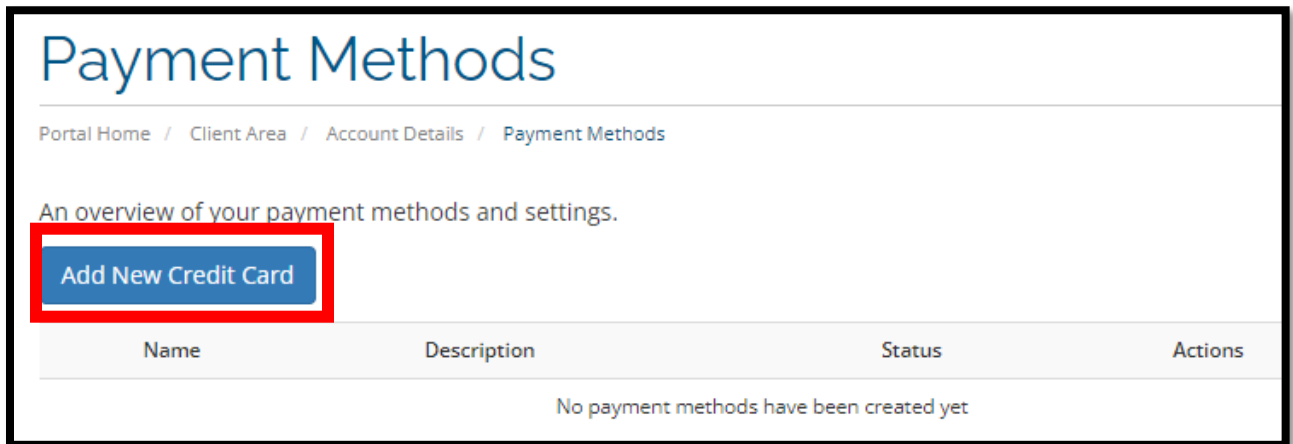

You may be asked to do a verification to make sure you are human.

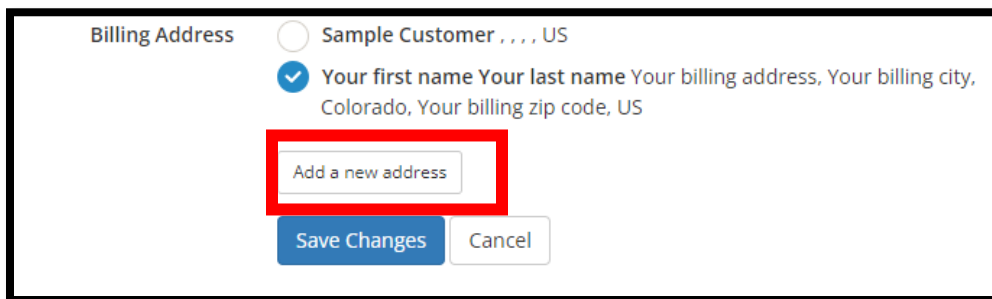

3. Once at the login screen, select Billing along the top bar, and then select "Manage Credit Card".

4. You will then select "Add New Credit Card"

5. Select "Add a new address" and enter in your billing information that correlates to the credit card you wish to use, then select "Save Changes"
